Dear Dr. Lyons:

This is just a note again to express my appreciation to you for making my recent visit to Dartmouth College such a meaningful and enjoyable one. I will always remember the warm reception. I hope that my message in some little way served to shed light on the difficult problem of racial injustice which still invades our nation.

Please extend my warm best wishes to the many friends that I met at Dartmouth. I hope that our paths will cross in the not too distant future.

Very sincerely yours,
