

Petition for a
"Ladies Room"

March, 20th
1879

The the undersigned
Ladies of this Congregation
request a vote of this Church
in favor of building an
addition to the North end
of this Vestry, to be called
"The Ladies Room"

We propose to make such room conform in width, length and exterior finish to architectural proportions in harmony with the present building

And your petitioners
do humbly pray

Yes Yes
