MEMO

TO: Dean Ralph Manuel

cc: Mr. E. Ronan Campion and all members of the
Fraternity Governing Board
Dean Jack Thomas

Mr. Dan Corbett

bcc: Messrs. ✓Cook, Schottland, Miss Baker

For the first time I have had the opportunity to see minutes of an IFC meeting (they are attached). It would be an understatement to say I am both disgusted and shocked.

It so happens that a sensitive young woman represents one fraternity on the IFC and it is inexcusable that she should have to be subjected to this sort of discussion and the resultant minutes. Even if a woman were not represented on the IFC there seems to me to be absolutely no rationale for this in a body that purports to represent a significant portion of the Dartmouth student body.

This may or may not be a legitimate question to bring before the Fraternity Governing Board and I plan to raise that issue at the next meeting. It most certainly is a legitimate question to raise with the Dean's Office. Is this symptomatic of the fraternity system in general and the IFC in particular? Should anything be done about it?

If [redacted] wishes to discuss this prior to the next meeting of the F.G.B. I would be happy to do so. In the meantime I wonder what the reaction of the Dean's Office is.

P.S. after dictating this I read the article in the April 5 Dartmouth about the IFC Judging Committee. In light of the attached, Tom Blueber's remarks in the final paragraph are ridiculous!

the 33rd (believe it or not) WEEKLY IFC TP
Tissue

This must be dedicated as the first bathing suit issue of the spring. Naturally the IFC hit Florida last term with a few of their very own exec's. [redacted] "Bominitous" commented on the furnishings of the sun cities, "wall to wall pussy". However, pussies don't bite only nibble and [redacted] wound up playing ball with a Hooker from the Indiana rugby team (girls that is). [redacted] did much better of course getting in good with a ravishing blonde ~~beauty~~ beauty, scoring on a dinner, and finally being able to "meet my parents." When the dust cleared the girl revealed her where-from-aborts → Colby no less. Shit!!! [redacted] exerted the unchallenged powers of ~~his~~ his position on the way back and made all of us turn in our \$80 worth of firesticks to the MS state police. Good work eh.!

[redacted] scoping in on the Floridian co-eds

Back to Business

1st and most important - the rug rats (better known as Tronee and Zoo) have left Phi Delt and after collecting more accumulating scum and are now loose. Are they dangerous? Those aren't crickets crawling up [redacted] [redacted] legs.

I have been advised by our beloved bominitions that this page of news? should be written in a manner more becoming of a respectable council such as our own. I was given a guideline from the FGB minutes so I'll start with a report from the last terms last meeting.

The chairman called the meeting to order at 7:23 pm. The ~~secretary~~ Council heard the following actions:

Heard: The secretary yelling "Keep your pants on, I'll call attendance in a minute"

Heard: [redacted] tell us that rush figures were up a 100 and looking good. Pledge cards are due the tuesday after rush.

Heard: A Greek god ride in on chariot and tell us that this year hums had better be good and a challenge to all against the studly beasts that will be guiding the grand wagon. (from Hevot & course)

Heard: Dan telling us that Audits are due Friday April 23. And colloge bills must be in by May 10.

Heard: [redacted] belching in the corner

Heard: [redacted] saying "Jesus, you got some on me."

Heard: A.B. Gile is raising their rates. Meeting will be at Phi A with A.B. to discuss this B.S.

Heard: Many ridiculous ideas on how to clean a house in 7 easy steps.

Heard: A concerted round of farts to close the meeting and to end this portion of this ridiculous news letter.

Back to my own style.
Sweet and Stupid!

To make the rest of it all very brief:
Gamma Δ missed meeting Monday.

Dan Corbetts squad of 4.0 are alerted to the ~~deceiving~~ movements in the underworld. A John Johnson has been selling shit to houses. Don't buy it. Put the cuffs on. Book him Daniel. Murder I

reminds us that the ~~Great Frat~~ Race was appreciated by those in the ward. "chariots for charity coming up."

Rush is in 2 weeks and advertising has been proposed in the way of posters and letter. When you say bud...

★ → College billing to seniors is due May 10.
Do it.

Ping Pong balls will be in soon of Dan's office.

Meeting next week at Phi A

People should use loans more often. Must apply on a fiscal year basis (July). You can't beat having loans.

As Dan said - The way you do it now is pay out of house funds and get strapped for four years after.

This way you can get all the money and get real smooth about it and still get "strapped" for the rest of your life. A hand in your mouth is like a tree on the banks of Dartmouth Hall. What an analogy.

Janitorial Proposal is passed - looks like its Hemekem for Heorot.

Wednesday - meeting at Beta at 730 for all rush chairmen.
